

Coulda Shoulda
C / FM7

i would've climbed mt. everest
i could've seen the world
i might've played in the majors
If I never met you
uh-huh, yeah, yeah, yeah

i could've been somebody
with a title to my name
i was meant to be a leader
but my chance never came
uh-huh, yeah, yeah, yeah

forever is over now
i think i should get going now
tomorrow is just pretend
i think i should get going now

i coulda, shoulda, mighta, woulda
coulda, shoulda, might've been

my hands are bloodied
from all the time i killed
i think i'm finally ready
to turn myself in
uh-huh, yeah, yeah, yeah

forever is over now
i think i should get going now
tomorrow is just pretend
i think i should get going now

oh i coulda, shoulda, mighta, woulda
(my hands are bloodied... x2 in background)
coulda, shoulda, might've been
(x4)
