

**Flying Kites**  
**C / FM7 / G**

when did i accept  
living like i'm dead  
when did i  
turn off the lights

how did i give in  
live like i'm a king

---

**how did i**  
**settle for this**

---

who was i before  
when i was a little boy  
a simple life  
flying kites

how did i give in  
to this gray machine  
when did i  
fall asleep

---

**how did i**  
**settle for this**
